El incumplimiento de esta prohibición podrá constituir una infracción que la legislación vigente puede sancionar.

Además de la información financiera preparada bajo las Normas Internacionales de Información Financiera ("NIIF"), esta presentación incluye ciertas medidas alternativas de rendimiento ("MAR") definidas en las Directrices sobre Medidas Alternativas de Rendimiento publicadas por la Autoridad Europea de Valores y Mercados ("ESMA") el 5 de octubre de 2015 (ESMA/2015/1415). Las MAR son medidas de rendimiento que se han calculado utilizando la información financiera del Grupo Ibercaja Banco, pero que no están definidas ni detalladas en el marco de información financiera aplicable y que, por lo tanto, no han sido auditadas, ni son susceptibles de ser auditadas de manera completa. Estas MAR se han utilizado para permitir una mejor comprensión del rendimiento financiero del Grupo Ibercaja Banco, pero deben considerarse sólo como información adicional, y en ningún caso sustituyen a la información financiera preparada según las NIIF. Además, la forma en que el Grupo Ibercaja Banco define y calcula estas MAR puede diferir de la forma en que son calculadas por otras compañías que usan medidas similares y, por lo tanto, pueden no ser comparables. Para obtener mayor información sobre las MAR utilizadas, incluida su definición o una conciliación entre los indicadores de gestión aplicables y la información financiera presentada en los estados financieros consolidados preparados según las NIIF, se deben consultar las Cuentas anuales consolidadas al 31 de diciembre de 2018 e informe de gestión consolidado correspondiente al ejercicio 2018, disponible en el sitio web de Ibercaja Banco ([www.ibercaja.com](http://www.ibercaja.com)).
