Neither Ibercaja Banco nor any of its directors, managers or employees are obliged, neither implicitly nor expressly, to guarantee that these contents are exact, accurate or complete, to update them or to correct them if they detect any error or omission.

The purpose of this presentation is not to provide financial advice or offer any kind of financial product or service. Ibercaja Banco is not and will not be responsible if any part of this presentation is considered to form the basis of an investment decision. Ibercaja Banco notes that this presentation may contain forward looking statements. It should be considered that such forward-looking statements do not guarantee any future results and are only subjective opinions of Ibercaja Banco in relation to the evolution of its business and as such there may be different criteria, risks, uncertainties and many other relevant factors that may cause it to evolve very differently. In any event, data relating to past performance or profits cannot be relied upon for future performance or profits.

This document has not been submitted to the Spanish Securities Market Commission (Comisión Nacional del Mercado de Valores) for its approval or registration. In any case, it is subject to Spanish law applicable as at the date hereof and is not addressed to any natural or legal person in any other jurisdiction. For this reason, it may not comply with legal requirements of other jurisdictions.

Without prejudice to applicable legal requirements or any other limitations imposed by Ibercaja Banco, it is expressly prohibited any use of this presentation and the distinctive signs or symbols contained therein, including any sort of copy, distribution, transfer to third parties, public communication or transformation, through any mean or medium whatsoever, without prior and express authorization of the respective owners. Breach of this prohibition may constitute an infringement of current laws and may be sanctioned.

In addition to the financial information prepared under International Financial Reporting Standards (“IFRS”), this presentation contains certain alternative performance measures (“APMs”) as defined in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415). The APMs are performance measures that have been calculated using the financial information from the Ibercaja Banco Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs are being used to allow for a better understanding of the financial performance of the Ibercaja Banco Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Ibercaja Banco Group defines and calculates these APMs may differ to the way these are calculated by other companies that use similar measures, and therefore they may not be comparable.

In case of disagreement, the Spanish version will prevail.

Customer funds	71,506	3.6%

Customer funds evolution

Customer funds breakdown

Customer funds increase +3.6% or €2,490m YoY. In the 4Q, customer funds grow €2,090m

AuM and life insurance products represent 52.8% of total customer funds, 7 p.p. higher than twelve months ago

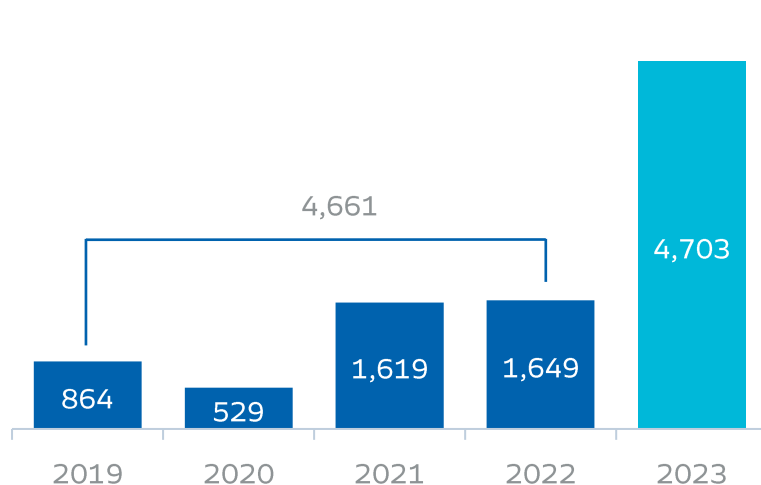

- **Asset management and life insurance products** grew **€6,113m or 19.3% YoY**
- This strategy of **diversification towards higher value-added products** enables Ibercaja to maintain one of the lowest customer deposit cost in the Spanish financial system: **the deposit beta** as of December stands at **8%¹**

¹Average cost of customer deposits for the year vs. average 12-month Euribor for the year of 3.9%.

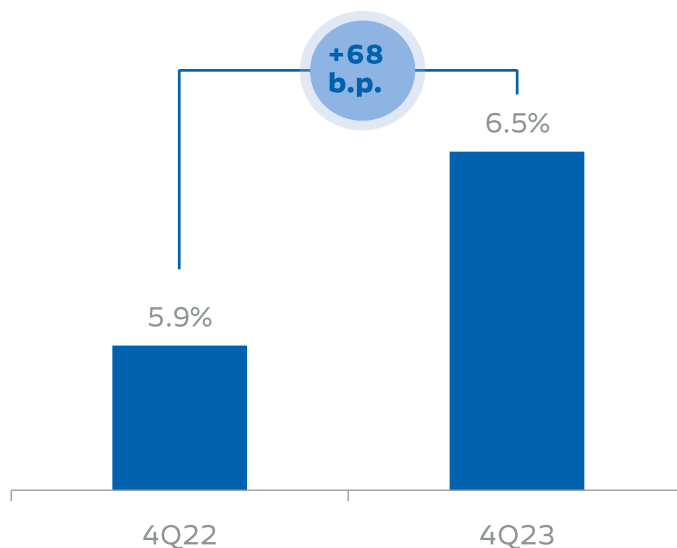

Customer funds (2/2)

Net new money inflows into AuM & life insurance products

€m

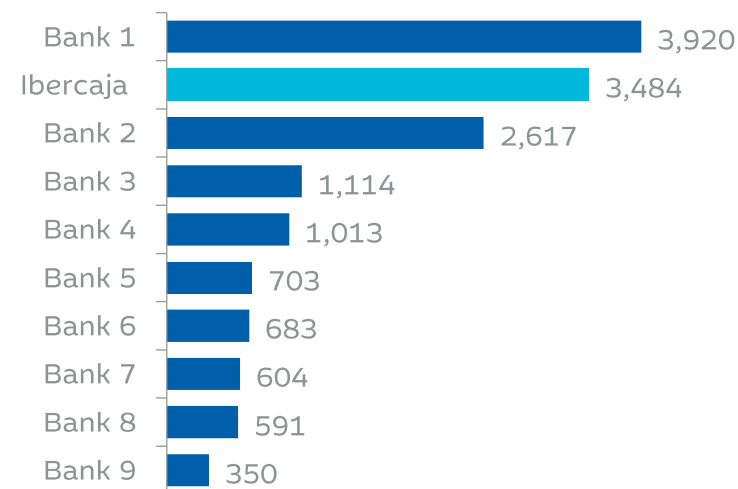

Mutual funds – market share¹

Net new money inflows into mutual funds¹

€m

Net new inflows in AuM and life insurance products have reached historical levels, totalling 4.7bn€, higher than the total amount achieved in the previous 4 years. It allows to reach an aggregate market share¹ in assets under management and life insurance products of 5.6% (+48 b.p. YoY)

Mutual funds have been the key product in the strategy:

- Ibercaja is **the second Bank in net new money inflows in mutual funds with a total of €3,485m or 19.0% of all contributions to mutual funds in Spain**. The leadership in net inflows allows the **market share in mutual funds to reach 6.5% or 68 b.p. more than at the end of 2022**
- The number of **clients with mutual funds** has increased **17%²** in the year.

Customer loans

Performing loans ex repos

€m

	4Q23	YoY
Loans to households	19,067	-2.4%

Consumer loans and others	1,660	0.0%
Loans to companies	8,533	2.1%
Non-Real estate companies	7,531	1.8%
Real estate companies	1,001	4.5%
Public sector and others	1,011	-24.8%
Performing loans ex repos	28,611	-2.1%

Market share evolution YoY

% - Stock of lending

New lending

€m

Performing loans fall by 2.1% in 2023 in an environment of weak demand and high pre-payment volume.

Ibercaja has outperformed the sector in terms of commercial activity in new loan production, growing 6.6% YoY.

- **Loans to companies** increase by **2.1% YoY** explained by the good performance of **new loan production in non-real estate companies (+19.6% YoY)** and the strong commercial momentum in working capital financing (volume has increased 5.9% YoY). **Ibercaja gains 13 b.p of market share in the stock of loans to companies in the last twelve months.**
- **New loan production in mortgages** falls **5.1% YoY** vs. -18.6% of the sector. Due to this more favorable performance, Ibercaja has managed to **slightly gain market share** in the stock of mortgages (+2 b.p).

Risk insurance

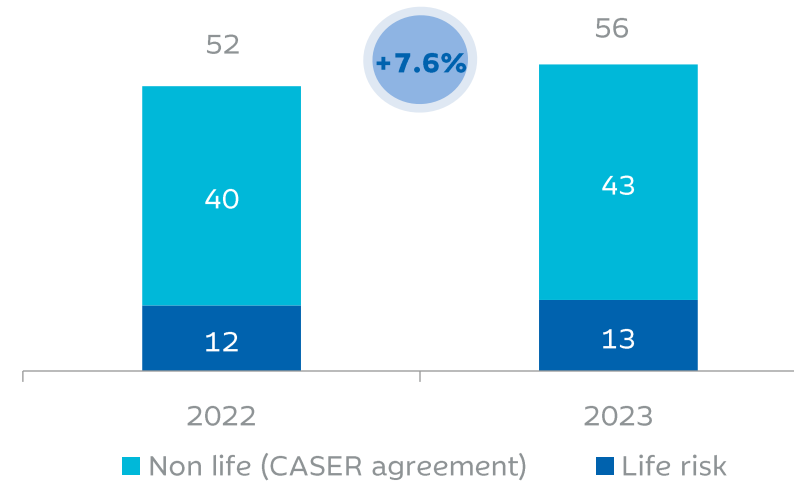

Risk insurance premiums (portfolio)

€m – premiums collected

Risk insurance new production

€m – premiums collected

Risk insurance premiums advance 5.1% YoY (7.0% in non-life and 0.6% in life risk) to €291m.

- Ibercaja **has outperformed the sector** in terms of **life risk premiums (+0.6% vs. -5.1% of the sector)**

New premiums perform positively and grow 7.6% YoY (+5.4% in life risk, +8.3% in non-life).

Digitalisation

Ibercaja App users¹

Thousands -

% Digital customers²

% Digital sales³

Ibercaja App users grows 8.0% YTD reaching 730k customers. Digital customers now represent 63.4% of Ibercaja's total customer base.

Digital sales account for 41.9% of the total.

- **The weight of digital channels** has grown strongly in **mortgages** where it reaches **30%**, in **risk insurance products (9%)** and in **pre-approved consumer loans (91%)**.

¹Includes only active customers in the last month of the quarter.

²Customers who have logged into the Ibercaja website or App in the last three months of the period

³ Remote sales are those made through digital channels, telemarketing or through digital managers taking into account the main products of the entity of retail customers (cards, pre-qualified consumer loan, mortgage financing, non-life risk insurance, securities, pension plans and mutual funds).

Environment

Carbon footprint

- Approved a **Transition Plan** for the implementation of **intermediate decarbonization targets** defined in the Power Generation, Iron and Steel Production and Residential Real Estate sectors.
- **Obtained the MITERD¹ seal: “Calculo, Reduzco y Compenso²” and has published and verified operational CO₂ footprint**

Sustainable financing:

- Launch of **new sustainable products**, including the **Hipoteca +Sostenible**, aimed at financing homes with the highest energy rating, and the **Renewable Energy Financing Loan**, aimed at facilitating the production or self-consumption of electricity through renewable energy sources by companies and the self-employed.

Environmental commitment:

- **Bosque Ibercaja:** through the reforestation project in Tauste (Aragon), the planting of 40 hectares was completed in the first half of 2023 and has been integrated into the MITERD compensation projects.

Social commitment :

- In 2023 Fundación Ibercaja carried out **2,943 initiatives**, of its own or in collaboration with other entities, benefiting **1.2m people**. The entity allocated resources to activities with a net investment amounting to **€19.7m**.

Social

Social finance:

- **Pensumo** has been launched, a new service that will allow customers to build up future savings while they make their usual purchases at participating stores.
- Ibercaja has strengthened its **agreements with Autonomous Communities to facilitate young people's access to their first home**, highlighting its participation in the "Mi Primera Vivienda" program of the **Community of Madrid** and **Castilla y León**, and in the "Garantía Vivienda Joven" program of the Regional Government of **Andalucía**.

Governance

- Board of Directors approved the **ESG Risk Integration Policy**, the **Credit Risk ESG Exclusion Policy** and the **ESG Exclusion Policy for investment activities in Ibercaja's securities portfolio**.

Net Income	182	304	67.4%

Net interest income

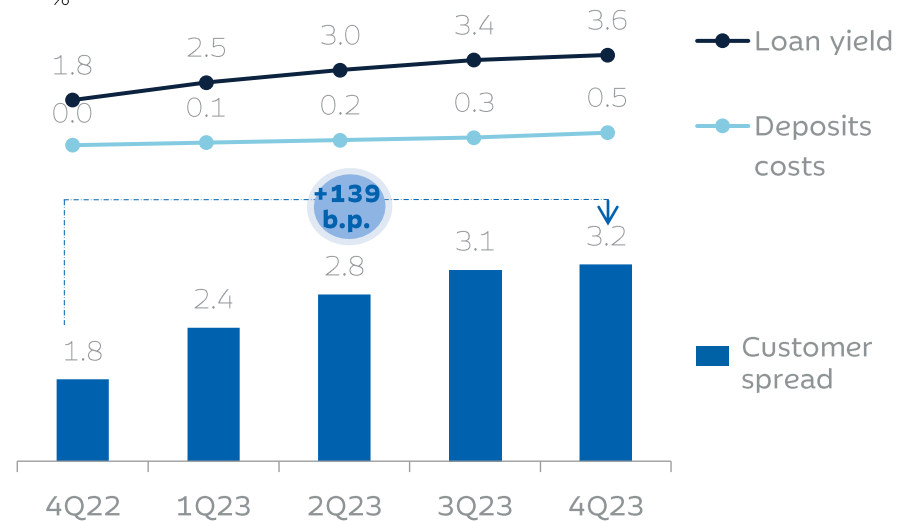

NII bridge

€m

Customer spread

%

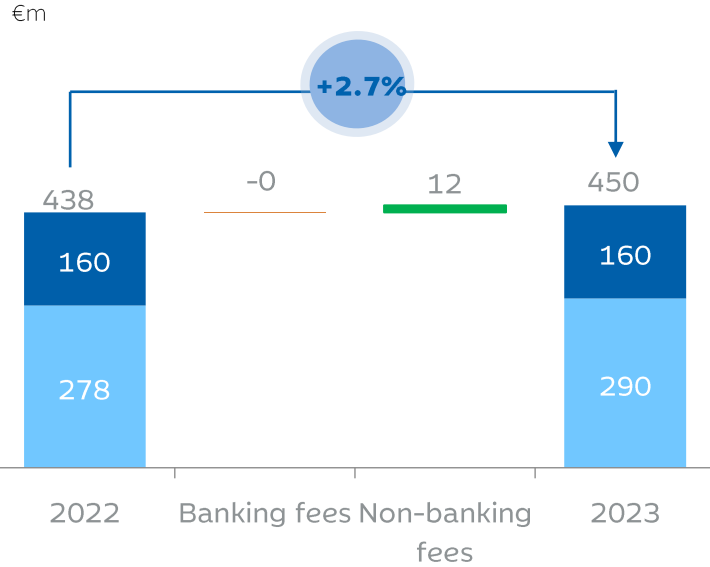

Net interest income increases by 42.9% YoY or €198m.

Customer spread in 4Q23 reaches 3.2% or 139 b.p. YoY increase and results in an improvement of the retail margin of €393m.

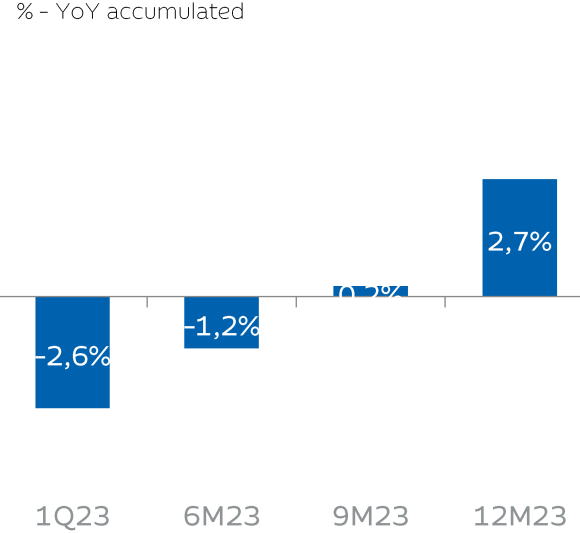

The increase in wholesale funding costs, long-term (it reduces -€105m in the year) and short-term (-€94m in the year, due to the end of TLTRO) explain most of the negative impact in “rest of factors”.

Net fee income

Net fee income bridge

Net fee income evolution

Non-banking fees

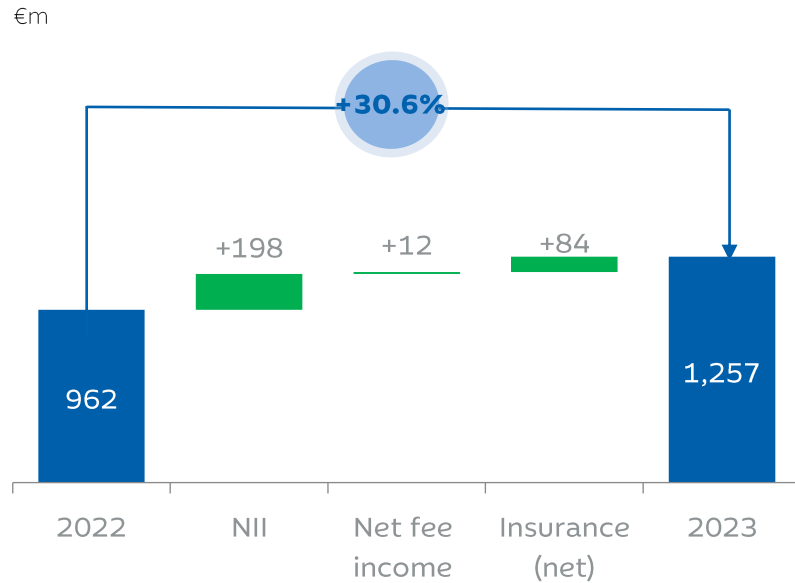

Net fee income increase by 2.7% YoY. In the 4Q23 standalone, net fee income grows 7.4% QoQ

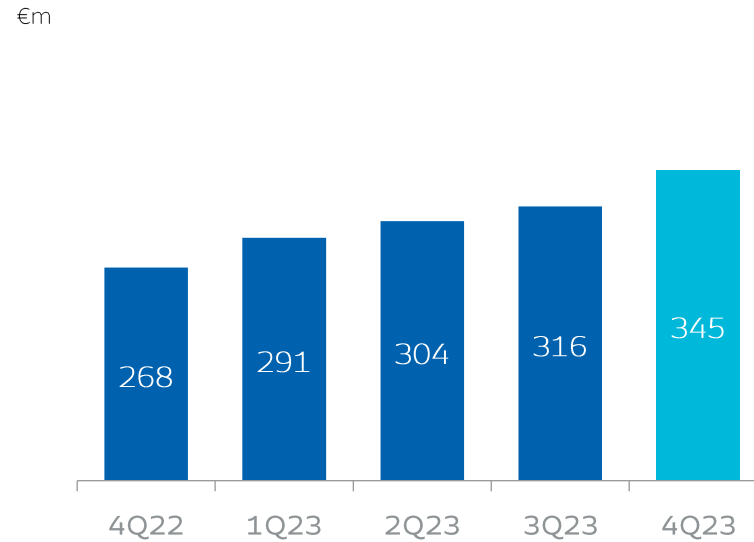

- As a result of the strong increase in AuM, **non-banking fees grow 4.4% YoY** (+7.6% QoQ in the 4Q23 standalone). This positive performance is supported by strong inflows and the positive market evolution.

Recurring revenues & gross operating income

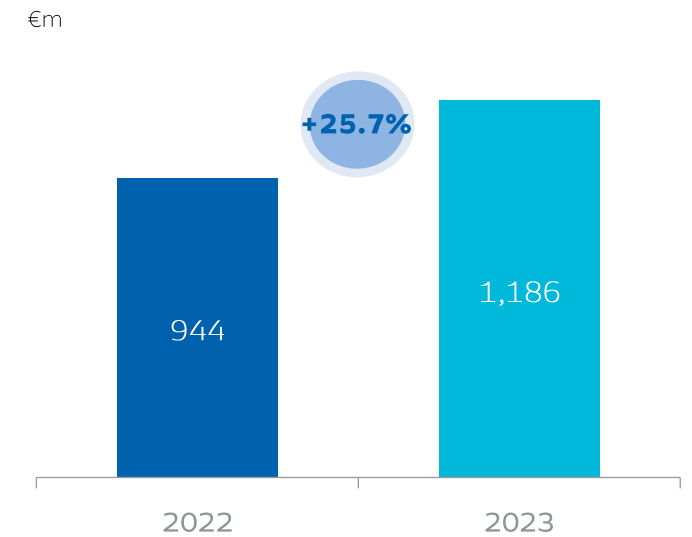

Recurring revenues bridge

Quarterly evolution

Gross operating evolution

Recurring revenues grow 30.6% YoY driven by the strong performance in NII

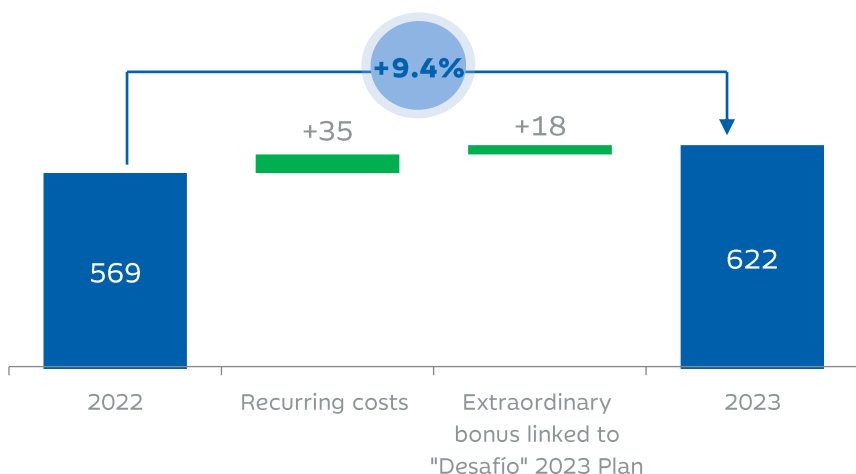

In the 4Q23 standalone, recurring revenues grow 9.1% QoQ.

Gross margin, which includes temporary banking tax amounting to €29m, advances 25.7% YoY reaching €1,186m.

Operating costs & pre-provision profit

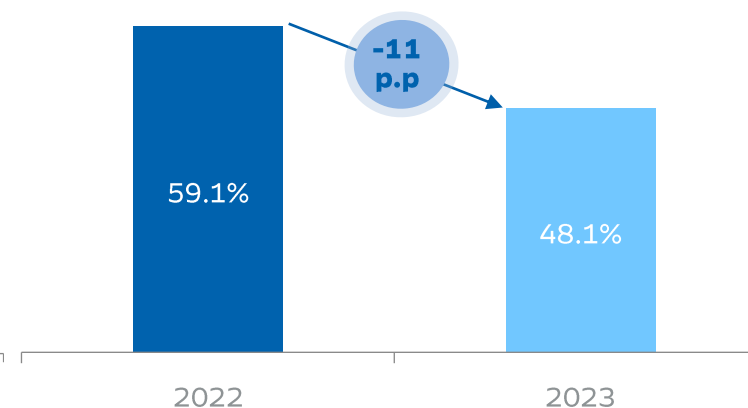

Operating costs

€m

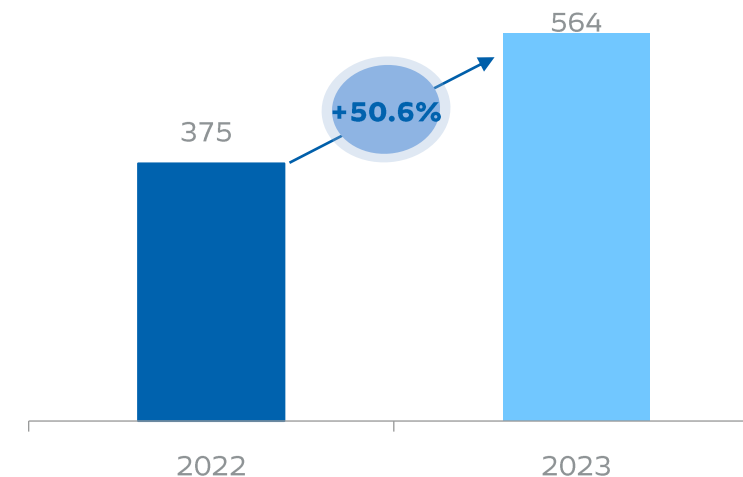

Recurring cost to income ratio

%

Pre-provision profit

€m

Operating costs increase 9.4% YoY (+6.2% excluding €18m of the extraordinary bonus linked to Plan “Desafío” 2023)

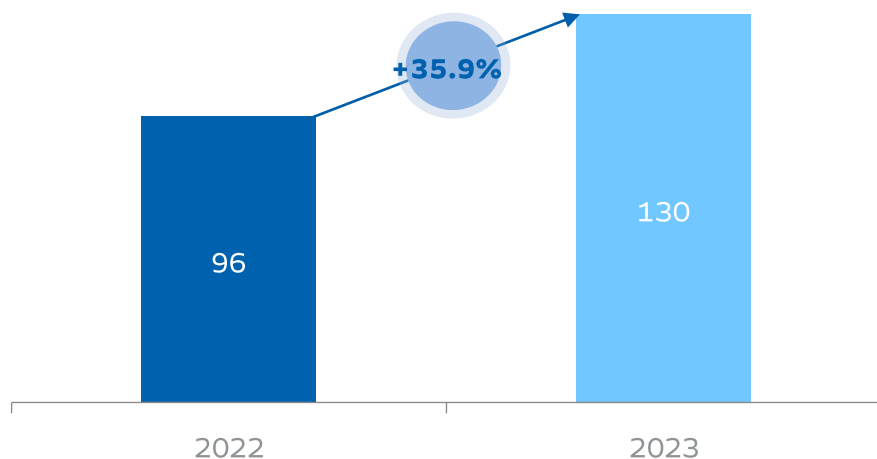

Ibercaja continues to improve its operating jaws:

- **Recurring cost to income ratio** reaches **48.1%** (vs. 59.1% as of December 2022)
- **Pre-provision profit** grows **50.6% YoY to €564m**

Loan and foreclosed assets provisions

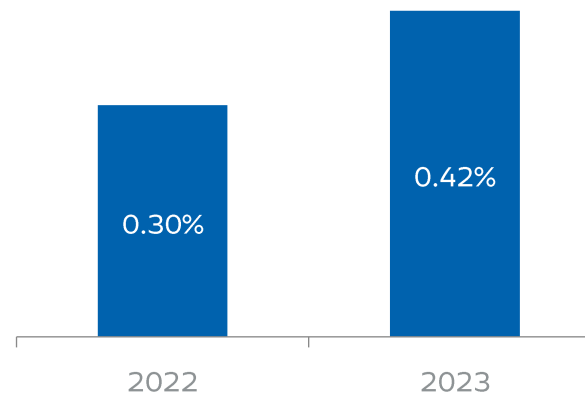

Loan and foreclosed assets provisions

€m

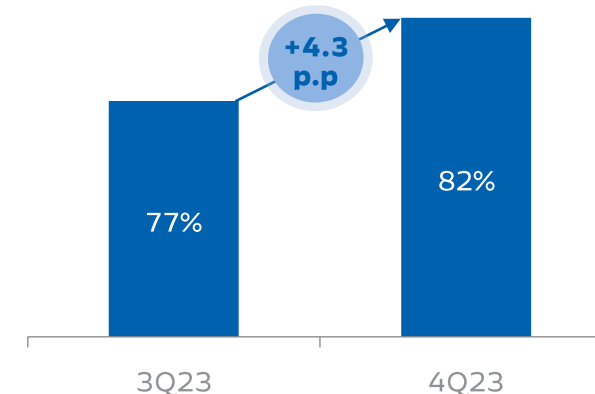

Cost of risk

%

NPA coverage ratio

%

Provisions for loan and foreclosed assets grow 35.9% YoY as Ibercaja continues to reinforce its coverage ratios (+4.3 p.p. in one quarter)

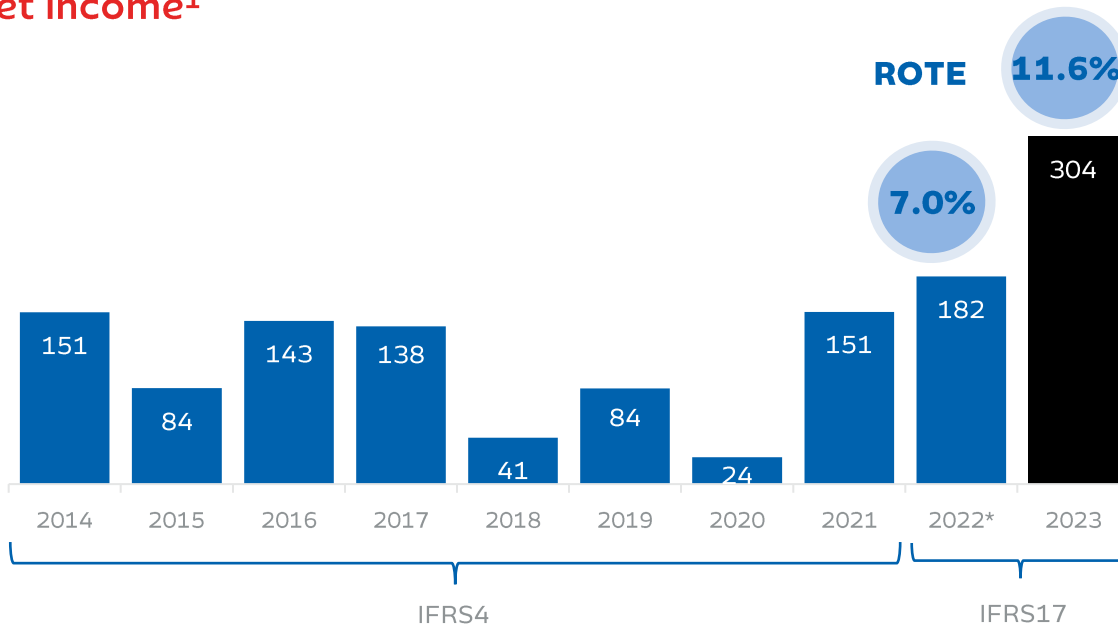

- **Cost of risk** reaches **42 b.p.**

Ibercaja maintains additional overlay provisions of €50.1m in view of the uncertainty caused by the macroeconomic outlook and the effects it can have on certain sectors of the economy.

Net income

ALCO portfolio breakdown

% - 4Q2023

Ibercaja maintains a sound liquidity position

- **LCR ratio** reaches **247.2%**. **Liquid assets** stand at **€12,134m** or **22.3% of total assets**. Total available liquidity amounts to €20,314m

The Bank has a highly granular deposit base

- Over total deposits, **84.7% are considered stable¹**. **Deposit covered by the Spanish DGS** amount to **87%¹**. **Top 20 depositors** represent **3.8%** of total deposits

ALCO portfolio² remains stable at €11,609m (-1.5% YoY)

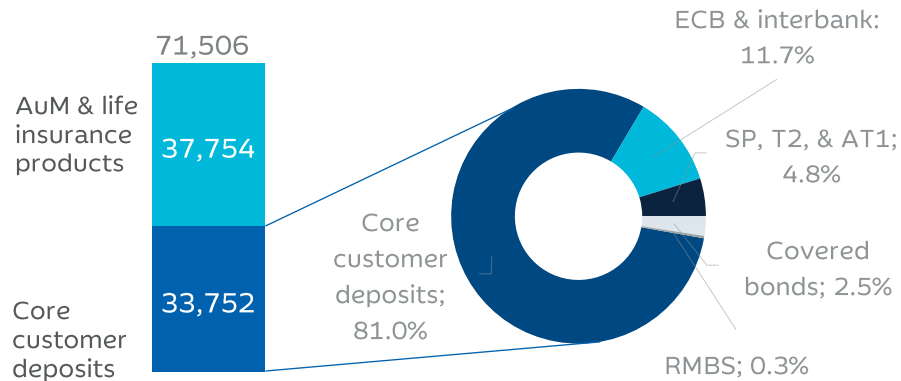

- **Spanish sovereign debt accounts for 67.6% of the portfolio**. 95% of ALCO assets are considered as High Quality Liquid Assets (HQLA). Duration stands at 2.8 years³. In the last quarter, the portfolio yield stands at 0.95%.

23 ¹Based on LCR reporting
²Excludes insurance activity
³Includes interest rates swaps

Funding & MREL requirements

Breakdown of funding structure

% - 4Q2023.

Main funding ratios

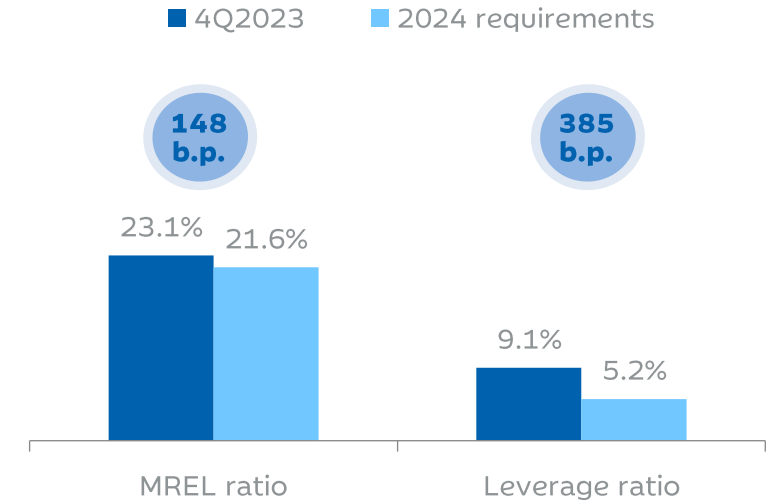

% - 4Q2023.

84.9% Loan to deposits ratio

141.3% NSFR ratio

MREL ratios

% -

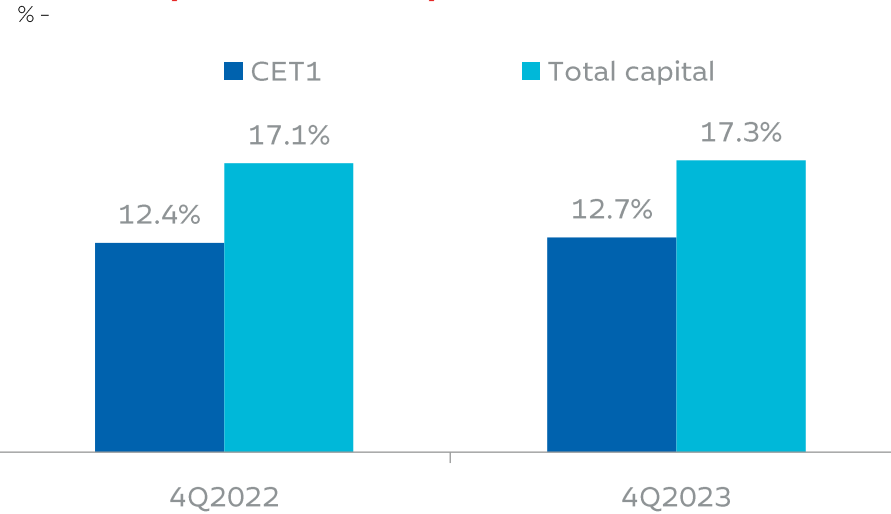

Ibercaja has a strong funding profile.

- **Customer deposits** account for **more than 81%** of Ibercaja's external funding.
- **LTD ratio** stands at **84.9%** and **NSFR ratio** reaches **141.3%**.

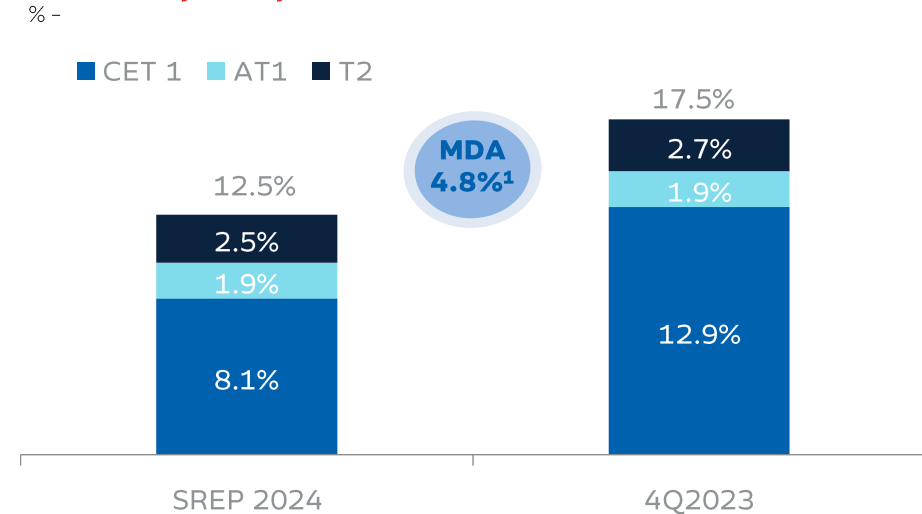

Ibercaja maintains a buffer vs. its 2024 MREL requirements of 148 b.p. and 385 b.p. in terms of MREL leverage ratio.

Solvency

Solvency ratios – Fully loaded

Total capital phased in vs. SREP

Solvency levels stand above the targets set in Ibercaja’s Strategic Plan, “Desafío” 2023:

- **CET1 fully loaded ratio stands at 12.7% (+33 b.p. YTD)**
- **Total capital fully loaded reaches 17.3%** (17.5% phased in)
- Ibercaja has an efficient capital structure and its **MDA ratio stands at 476 b.p. (P2R has been reduced by 15 b.p. compared to that required for 2023)**

The Entity has accrued a pay-out ratio of 60%

The Reserve Fund constituted by Ibercaja Banking Foundation reaches €260m (80% of the total amount required for 2025YE)

05.

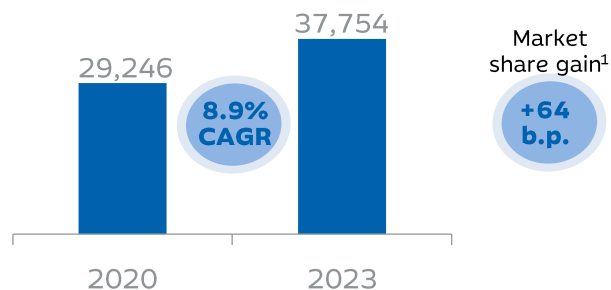

“Desafío” 2023 Strategic Plan

“Desafío” 2023 Strategic Plan: commercial achievements

Personal banking & AuM & Life insurance products

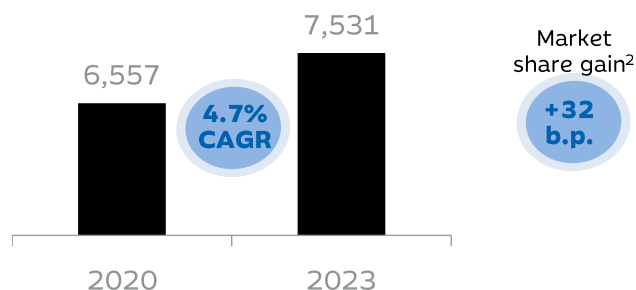

AuM & Life insurance Products €m

Since 2020 Ibercaja has achieved significant market share gains in key valued added products such as mutual funds (+98 b.p.), pension plans (+25 b.p.) and life insurance products (+16 b.p.).

Companies

Performing loans to Non-RE companies €m

In a weak demand environment Ibercaja has clearly outgrown the market (+4.7% vs. -1.7% CAGR²) thanks to the new strategy in SME/Corporate banking, maintaining sound asset quality levels.

Risk Insurance

Risk insurance premiums (portfolio) €m

Ibercaja reaches an increase of 5.6% annual in risk premiums.

Ibercaja has achieved the targets set in the distribution agreement with CASER in 2021-2023

Ibercaja closes its Strategic Plan “Desafío” 2023 with high dynamism in the key commercial segments

“Desafío” 2023 Strategic Plan: key financial targets

Profitability

ROTE¹

Ibercaja has achieved a structural increase in its profitability levels with a ROTE of 11.6% significantly above its 9% target thanks to a strong evolution in recurring revenues, which leads to a 48% recurring cost to income and the cost of risk has remained under control

x% Recurring cost to income

Asset Quality

NPA Ratio

Ibercaja has reduced its stock of NPA by 49% or €802m, reducing its NPA ratio to just 2.8% significantly below its target of 4% while increasing its NPA coverage by 20 p.p.

x% NPA coverage ratio

Solvency and pay-out ratio

CET1 FL

Pay-out ratio

Ibercaja Banking Foundation Reserve Fund

260
€m

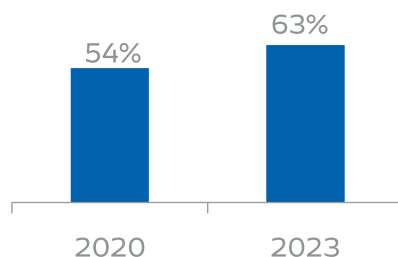

80%

Ibercaja CET1 FL stands above its target of 12.5% and has allowed a significant increase in the payout ratio. As a result, Ibercaja Banking Foundation has been able to complete 80% of the requirement

“Desafío” 2023 Strategic Plan: Digitalisation and ESG Strategy

Digitalisation

Digital customers

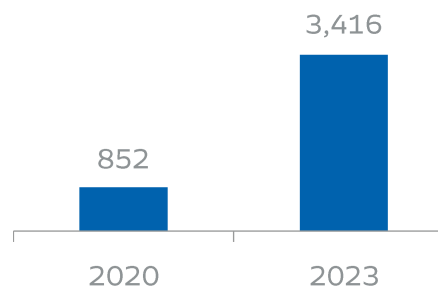

Digital sales

The **investment allocated to digitalization**, the **transformation of processes** and the **creation of new digital managers**, have driven the increase in the number of digital customers and in digital sales in the Strategic Plan

ESG Strategy

ESG investment

N° Sustainable mutual funds

N° Sustainable pension plans

Implementation of a **sustainable business commercial strategy**: Ibercaja has launched a complete range of sustainable products (both in AuM and lending)

Integration of **climate risks in risk management**: during the Plan Ibercaja has made strong progress in identifying and quantifying its climate and environmental risks

Ibercaja was one of the founding entities of the **Net Zero Banking Alliance (NZBA)** in 2021: **intermediate decarbonisation targets** have been established to comply with NZBA

Ibercaja has achieved all the financial targets set in its “Desafío” 2023 Strategic Plan

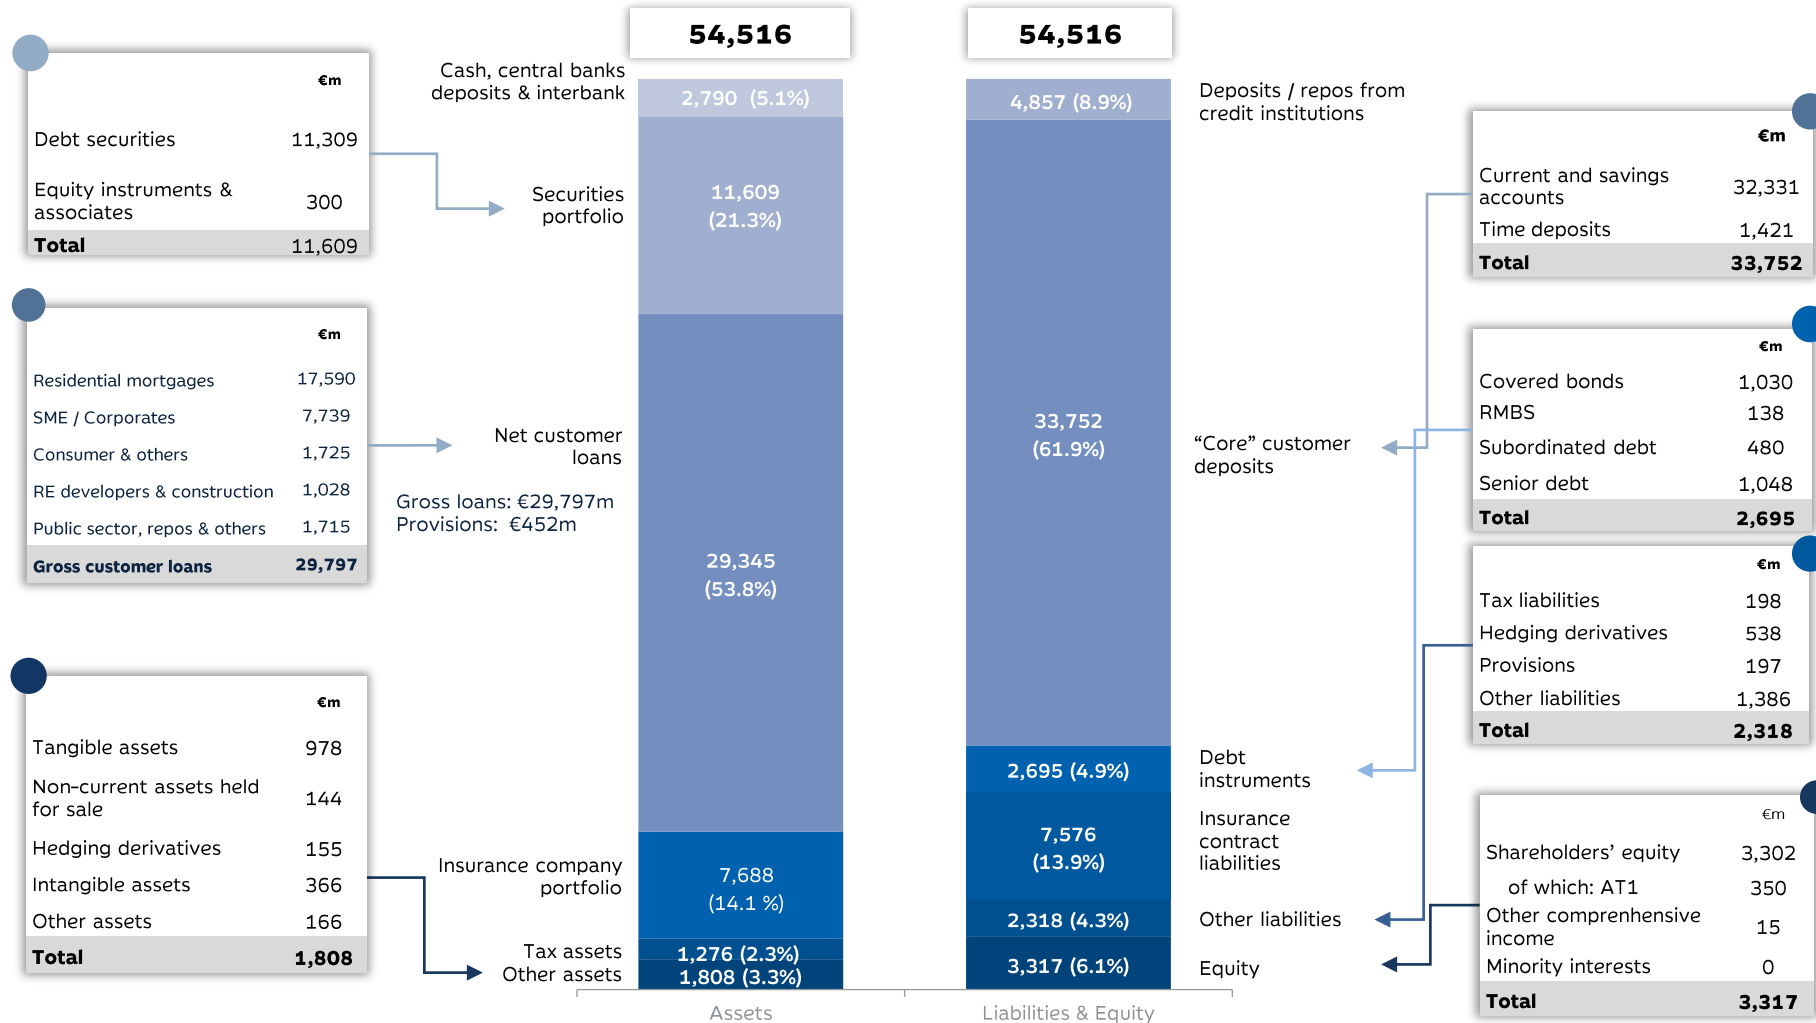

06.

Annex

Balance sheet

€m – 31/12/2023

Glossary

Ratio / APM	Definition
Customer Spread	Difference between the average yield on the loan portfolio and the cost of retail deposits (ex. repos and covered bonds)
Recurring Revenues	Net interest income plus net fee and commission income plus net exchange differences plus Income and expense under insurance contracts
Recurring Costs	Personnel expenses plus other administration expenses plus amortisation and depreciation minus extraordinary expenses (redundancy plan)
Recurring Profit before Provisions	Recurring revenues minus recurring costs
NPL ratio	Doubtful balances in loans and advances to customers divided by gross loans and advances to customers
NPL coverage ratio	Loans and advances to customers impairments divided by balances in loans and advances to customers
Foreclosed Assets coverage ratio	Foreclosed assets impairment losses (since loan origination) divided by gross foreclosed assets
Non-performing Assets (“NPAs”)	Sum of doubtful balances in loans and advances to customers and gross foreclosed assets
Net NPAs	Sum of doubtful balances in loans and advances to customers and net foreclosed assets
NPA ratio	Gross non-performing assets divided by gross loans and advances to customers plus gross foreclosed assets
NPA coverage ratio	Sum of foreclosed assets impairments and loans and advances to customers impairments divided by gross non-performing assets
Cost of Risk	Sum of impairments associated with credit risk and foreclosed assets divided by the average balance of the sum of gross loans and foreclosed assets
Liquid Assets % Total Assets	Total liquid assets divided by total assets. Liquid assets include unencumbered public debt + available & eligible fixed income assets (after ECB haircut applied)
Loans-to deposits ratio	Net customer loans (ex. repos) divided by customer deposits (ex. repos and covered bonds)
Net Stable Funding Ratio	Amount of available stable funding relative to the amount of required stable funding
Liquidity Coverage Ratio	High quality liquid assets divided by net outflows during the following 30 days
ALCO Portfolio	Bank’s fixed-income portfolio. Excludes the fixed-income portfolio of the insurance company
